How to Apply

Whitehorse Recovery Grants Package: Business and Community will be administered using SmartyGrants. SmartyGrants is an electronic grants submission system used by many local governments and other funding bodies. It provides an efficient way for you to submit your application online.

Once you have read criteria for the grant you wish to apply for, the first step in applying for a grant is to [register with SmartyGrants](#) .

Registering with SmartyGrants requires an email address and a password. We encourage applicants to use a general, organisation email and password (instead of a personal account) so that more than one person can access the application(s) and outcomes.

For assistance with using Smarty Grants refer to the [step-by-step Help Guide](#) . This guide can assist you through the various stages of your on-line application.

A general email and password will enable more than one person to access applications and outcomes.

All subsequent emails and updates regarding Council's Recovery Grants Package – Business/Community will then be sent to the email address provided in the application.

Sometimes the applicant has filled in the whole form but has not gone to the review page so does not see the submit button. The submit button sits on the review page.

SmartyGrants - I am unable to Submit the form?

The most common reasons an applicant won't be able to submit their applications include:

- Not filled in a mandatory/required field, this can include file upload question and budget details.
- Have used alpha characters in a number question field.
- Has gone over the word limit on a question.

All of these errors are highlighted in red on the review page (which sits at the very end of the application)

Some changes to your application are required before you can submit it. Check the highlighted items and fix them before you submit your application.

You will have the opportunity to correct the problem by clicking **Go to Page**.
